

ADAPTIVE SPORTS CONNECTION

ANNUAL EVENT SPONSORSHIP

BOUNDLESS WAVES • WATER SKI DAY

This is the day we soak up the sun and take to the water. This day is all about learning and doing. Each participant will get fitted for the right equipment, have a dry land lesson, and then spend 45 minutes putting their lessons learned to use while their family join the crew in the ski boat to photograph their athlete in action. Breakfast will provide the energy needed for a good workout and lunch will replenish the bodies to recover from a day of playing hard.
